

Quick Launch Help

Quick Launch Intro

Quick Launch is a little program to organize your favorite programs and launch them with a simple click of a button. There are 6 sections in Quick Launch where you can put you favorite programs, they are: PC Tools, Game Tools, Writing Tools, Web Tools, Art Tools, and Audio Tools.

Examples and the interface are below.

Set and Launch

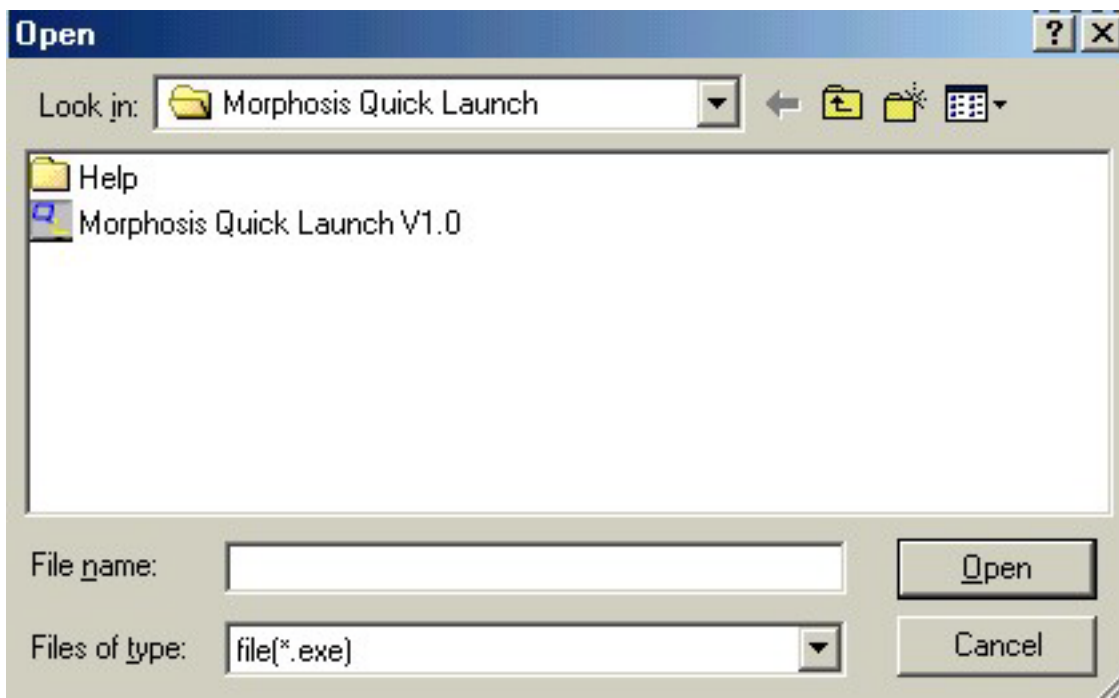

The Yellow “S” button lets you say where on your computer the program is located. The “L” Green button launches the program.

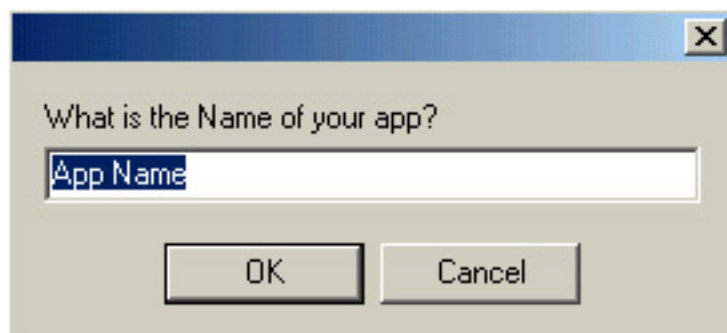

When you press the “S” button window (1) will show up, then window (2)

Just open a program!
